

Welcome to Ironside Axe Club  
2022 Ironside Open

Welcome to Yeetenheim

Thank you for your registration to participate in the 3rd Annual Ironside Open Tournament! It's hard to believe that it is finally here. June 23-26th.

A few things before you arrive. If you haven't already please take a moment and complete your waiver. You will be asked to verify completion when you arrive.  
<https://waiver.smartwaiver.com/v/ironsideaxeclub/>

Along with waiver verification we will be doing tournament check-in as people come in and will be repeating the process each day before each event.

Closed-toe shoes are required when throwing.

Smoking and vaping are allowed outside of our South East door, or at least 15-feet from our main entrance, or on the deck located just outside of the building.

We have a license to serve alcohol which means BYOB is no longer allowed (this includes the deck). We do have a fantastic selection of local and domestic beers, seltzers, ciders, and canned cocktails available along with soda, energy drinks, and water. (Please remember to drink water).

Lunch will be available (and free for throwers) via the Gusto Pizza trailer.

We will be having a Pizza Party on Sunday between the Youth Tournament and the Duals Tournament.

There will be a lot of people attending and not everyone is comfortable with animals. Please do not bring dogs inside the building during the tournament.

Practice/open throwing: We will open lanes up for free warm-ups for 1-hour before each of the tournament events. If you plan to arrive earlier in the week please remember to reserve a lane for practice via our booking site. Competitors will get a discount at check-out.

If you are feeling sick or believe that you have been in close contact with a person with Covid-19 please email us at [Brianna@IRONSIDEAXECLUB.COM](mailto:Brianna@IRONSIDEAXECLUB.COM) by 5pm Central Wednesday, June 16 and we can process a refund.
